

Best Urban Hotels 2016: the shortlist

The Brown Beach House, Tel Aviv

A sister property to the beloved Brown TLV Urban Hotel by locally based hotelier Leopard, The Brown Beach House was designed as a luxury summer house on Tel Aviv's redeveloped coastal strip. It features a spa, with couples' treatment rooms, a garden and cabanas, as well as 40 guest rooms outfitted by interior designer Aline Langlieb with a distinctive blend of retro resort style and hip urbanism. The hotel's popular Flamingo Bar draws a goodlooking crowd, while the café offers casual kosher dining.
